Team 41

MoM – 18/3/2024

Meet at Arka Aerospace Office

Participants:

- Vinit Mehta
- Manasa Kalamalai
- Medha Prasad
- Prithvi Karthik
- Shailender Goyal

Issues Discussed :-

1. Ready to fly button
2. Compass
3. Mavlink custom messages
4. Confirmation to Kill

Clarifications:-

1. The Drone's standard initialising messages check to certify ready to fly.
2. Just have the heading angle for the drone for the compass thing.
3. Use Python Mavlink for Custom messages.
4. Have a Slider for a confirmation or an alert dialog box.

The meet lasted 2 hours.
